

## Short Oral Presentation Schedule

Graduate Research Competition 2025 for M.Sc. & Ph.D. Students

Wednesday, 2<sup>nd</sup> July 2025 via Zoom, 9.00 AM – 2.10 PM

Meeting ID: 844 835 8270

Time	Abstract no.	Title	Presenter	Program
9.00 - 9.10 AM		Opening ceremony	Prof. Nattiya Hirankarn, MD., Ph.D. (Associate Dean for Graduate Affairs)	
9.10 - 9.25 AM	MS01	A Pragmatic, Open-label, Randomized Controlled Trial of Ringer's Lactate Solution Versus Normal Saline Plus 5%Dextros Solution on Metabolic Acidosis in the First Week of Post-operative Period of Kidney Transplantation	Miss Kornrawee Sawasdichai	M.Sc. in Medicine
9.25 - 9.40 AM	MS02	MRI-Based Radiomics Model from Mesorectal Fat to Predict Perirectal Lymph Node Status and Extramural Venous Invasion in Colorectal Cancer Patients	Miss Yaniga Swaengdee	M.Sc. in Medical Physics
9.40 - 9.55 AM	MS03	Dosimetric Comparison from Tissue Inhomogeneity in Proton Therapy Treatment Planning Systems between Monte Carlo and Pencil Beam Algorithms	Mr.Wiroon Monkongsubsin	M.Sc. in Medical Physics
9.55 – 10.10 AM	MS04	Incidence, Risk Factors, and Outcome of Anti-Tuberculosis Drug-Induced Hepatotoxicity in People with and without HIV in Thailand and the Philippines	Mr.Ryan Christopher Atuel	M.Sc. in Health Development (International Program)
10.10 – 10.25 AM	MS05	Exploring function of long noncoding RNA TUG1 in hepatocellular carcinoma via transcriptomic analysis	Mr.Thammachanok Boonto	M.Sc. in Medical Biochemistry

Time	Abstract no.	Title	Presenter	Program
10.25 – 10.40 AM	Break 15 min			
10.40 – 10.55 AM	MS06	Phenotypic Effects Of Mab_1999 Gene Silencing In Mycobacterium Abscessus Using Crispr Interference	Miss Azizah Fitriana Nurul Ilmi	M.Sc. in Medical Sciences
10.55 – 11.10 AM	MS07	ZNF469 promotes extracellular matrix production in normal and keloid dermal fibroblasts	Miss Denita Charoenthanakittkul	M.Sc. in Medical Biochemistry
11.10 – 11.25 AM	Ph01	The effect of gland expression on the regeneration of meibomian gland: a randomized controlled trial	Mrs.Ngoc Van Anh Le	Ph.D. in Clinical Sciences (International Program)
11.25 – 11.40 AM	Ph02	Comparison of the visual clarity between intravenous tranexamic acid and epinephrine-diluted irrigation during arthroscopic rotator cuff repair	Mr.Quang Son Tran	Ph.D. in Clinical Sciences (International Program)
11.40 – 11.55 AM	Ph03	Effect of Vancomycin Loading Dose on Area under the Concentration Curve in the First 24 Hours of Treatment (AUC0-24) Target Attainment in Paediatric Sepsis Patients: A Randomised Controlled Trial (EVALUATE study)	Mr.Kritsaporn Sujjavorakul	Ph.D. in Clinical Sciences (International Program)
11.55 AM – 1.00 PM	Lunch			
1.00 – 1.15 PM	Ph04	Chlorinated Biscoumarins Inhibit Chikungunya Virus Replication in Cell-Based and Animal Models	Miss Chidinma Orji	Ph.D. in Medical Sciences (International Program)
1.15 – 1.30 PM	Ph05	Assessment of Species Diversity and Vector Competence of Culicoides Biting Midges in the Leishmaniasis Transmission Areas of Southern Thailand	Mr.Piyapat Tepboonrueng	Ph.D. in Medical Sciences

Time	Abstract no.	Title	Presenter	Program
1.30 – 1.45 PM	Ph06	Antenatal dexamethasone for Improving Respiratory Outcomes In Late Preterm Deliveries: A Randomized Controlled Trial	Mrs.Chau Hoang Minh Le	Ph.D. in Clinical Sciences (International Program)
1.45 – 2.00 PM	Ph07	A comprehensive analysis of the correlation between plasma cytokines/chemokines and tumor immune-microenvironment signature influences the response of checkpoint inhibitors in advanced non-small cell lung cancer	Mr.Hieu Mai Van	Ph.D. in Clinical Sciences (International Program)
2.00 – 2.10 PM		Closing Session	Prof. Nattiya Hirankarn, MD., Ph.D. (Associate Dean for Graduate Affairs)	

### Guideline for preparing your oral presentation

- Each oral presentation will be **15 minutes long: 8 min for the presentation, 6 min for discussion and Q&A, and 1 min for the next presenter to prepare**). Please ensure your talk is completed within the 8-min time limit.
- **Language:** All slides must be prepared and presented in English.
- **Format:** Slides should be in a **16:9 projection ratio** (widescreen), **landscape orientation**.
- **File Type:** Submit slides in PowerPoint (ppt, pptx) or PDF format.
- **Slide Count:** Each presentation should be prepared with **12-15 slides**.
- **Title Slide:** The full title of the research, along with the authors' names and affiliation, should be display at the top of the first slide/image.
- **Content:** Slides should summarize the background, methods, results and conclusion/discussion.
- **Clarity:** Avoid overcrowding slides with too much information.
- **Submission Deadline:** Submit your presentation file by noon on **Monday, June 30<sup>th</sup>, 2025** via email to **[gradmdcuresearch@gmail.com](mailto:gradmdcuresearch@gmail.com)**

### Presenting your research

- **Live presentation:** All presenters must participate in a live, virtual, interactive session.

- **Attendance:** Authors must be present in the Zoom meeting room on time and attend the entire meeting.
- **Invitation:** All graduate and undergraduate students are invited to attend and enjoy Graduate Research Day!

Please note that the slide files and abstracts you submit are your property. We will delete all files and abstracts after the event to maintain your privacy and rights. Additionally, we request permission to take photographs during the event for promotional purposes.
