

CURRICULUM VITAE

Name: **Chucheep Sahakitrungruang MD , MSc, FACS**

Colorectal Division, Department of Surgery

Chulalongkorn University, Bangkok, Thailand

Permanent Address: 55/20 Soi Saladaeng , Silom Road, Bangkok, Thailand 10500

Email: chucheep@hotmail.com

EDUCATION

1989-95	Chulalongkorn University, Thailand	M.D.	Doctor of Medicine
1995-96	Prince of Songkla university, Thailand	Intern	Surgery
1996-99	Prince of Songkla university, Thailand	Resident	Surgery
1999-2002	Chulalongkorn University, Thailand	Fellow	Colorectal Surgery
2003-05	Chulalongkorn University, Thailand	M.Sc.	Clinical Epidemiology
2006	ECFMG Certified	Certificate Number 0-658-046-8	
2007-08	Cleveland Clinic Foundation, Ohio, USA	Clinic Fellow	Colorectal Surgery

SHORT COURSE TRAINING

9/2003	ADVANCED COURSE IN LAPAROSCOPIC COLECTOMY. Institut Montsouris, Paris, France
2/2004	OBSERVATIONSHIP IN LAPAROSCOPIC COLORECTAL SURGERY Taichung Veterans General Hospital, Taichung, Taiwan
4/2004	OBSERVATIONSHIP IN LAPAROSCOPIC COLORECTAL SURGERY St.Vincent Hospital, Catholic University, Suwon, South Korea
6/2011	Robotic Surgery Training (da Vinci Surgical System Training) CUHK Jockey Club Minimal Invasive Surgical Skills Centre, Hong Kong, China

PRINCIPAL POSITIONS:

2003-06	Chulalongkorn University, Thailand.	Assistant Professor of Surgery
2006-2012	Chulalongkorn University, Thailand.	Associated Professor of Surgery

2012-now Chulalongkorn University, Thailand. Professor of Surgery

OTHER POSITIONS HELD CONCURRENTLY:

2002-now	Bangkok Christian Hospital, Hospital of the Railway Authority of Thailand, Bangkok Nursing Home Hospital, Bamrungrad International Hospital	Consulting Colorectal Surgeon
2003-2010	Chulalongkorn University, Thailand	Vice-Director of Colorectal Unit
2005-now	Chulalongkorn University, Thailand	Postgraduate Education Committee
2005-now	Chulalongkorn University, Thailand	Chief of the Hospital Accreditation Team for the Colorectal Unit
2005-now	Chulalongkorn University, Thailand	Chemotherapy Committee
2005-now	The Society of Colorectal Surgeon Thailand.	Treasurer
2006-now	Laparoscopic and Endoscopic Surgeons of Thailand.	Committee
2010-now	Chulalongkorn University, Thailand	Director of Colorectal Unit
2010-now	Chulalongkorn University, Thailand	Director of Chulalongkorn Colorectal Cancer Excellence Center

PROFESSIONAL ACHIEVEMENT

THE FIRST SURGEON IN THAILAND WHO PERFORMED

- Total sacrectomy
- Reconstruction of large perineal wound in advanced rectal cancer using colonic flap
- Laparoscopic coloanal anastomosis
- Laparoscopic restorative proctocolectomy with ileal pouch anal anastomosis via McBurney's incision
- Reconstruction of large perineal wound and vulva in CA vulva using colonic flap, laparoscopic approach

HONORS AND AWARDS

1999	Chief Surgical Resident
1996	Resident Paper Award, the 21 st annual scientific meeting, the Royal College of Surgeons of Thailand, July 1996
2005	VDO Contest Awards, laparoscopic total proctocolectomy with ileal pouch anal anastomosis via small Mc Burney incision, the joint meeting of the 30 th annual scientific meeting of the Royal College of Surgeons of Thailand and the 15 th Asian Congress of Surgery, July 2005
2008	ASCRS International Fellowship Award of 2007/8, International Council of Coloproctology (ICCP), The American Society of Colon and Rectal Surgeons, USA.
2010	Video Contest Award, Single incision right colectomy: good exposure for oncologic dissection can be provided with the use of simple equipments, the joint meeting of the 35 th annual scientific meeting of the Royal College of Surgeons of Thailand and the Royal Australian College of Surgeons, July 2010. (2 nd place)

KEYWORDS/AREAS OF INTEREST:

Colorectal surgery, Laparoscopic surgery, Colorectal Cancer, Retrorectal tumors, Sacral tumors, IBD, Diverticular disease, Anorectal Disease

PROFESSIONAL ACTIVITIES

Attending and Instructor of Colorectal Surgical Service. Chulalongkorn University, Thailand
 Director of Colorectal Unit. Chulalongkorn University, Thailand

PROFESSIONAL ORGANIZATIONS

Memberships

1995-now	The Medical Association of Thailand
1999-now	The Royal College of Surgeons of Thailand
2002-now	The Society of Colorectal Surgeon Thailand
2006-now	Laparoscopic and Endoscopic Surgeons of Thailand (Committee)
2009-now	The American Society of Colon and Rectal Surgeons, USA.

SERVICE TO PROFESSIONAL PUBLICATIONS:

2005-now Editorial Board, Chulalongkorn Medical Journal

PODIUM PRESENTATIONS

THAILAND,

Prognostic value of p53 over expression and estrogen receptor after modified radical mastectomy in breast cancer.

Resident paper and presentation at the 21st annual scientific meeting, the Royal College of Surgeons of Thailand, July 1996 (the 2nd price award)

Treatment of horseshoe fistula in ano in King Chulalongkorn Memorial Hospital.

Presentation at the 24th annual scientific meeting, the Royal College of Surgeons of Thailand, July 2000

Total sacrectomy : King Chulalongkorn Memorial Hospital experience, report of two cases.

Presentation at the 25th annual scientific meeting, the Royal College of Surgeons of Thailand, July 2001

A comparison of botulinum toxin injection and lateral internal sphincterotomy for the treatment of chronic anal fissure: Preliminary report.

Presentation at the 26th annual scientific meeting, the Royal College of Surgeons of Thailand, July 2002

Laparoscopic D3 dissection for right colectomy.

Video contest at the joint meeting of the 30th annual scientific meeting of the Royal College of Surgeons of Thailand and the 15th Asian Congress of Surgery, July 2005

Laparoscopic Restorative Proctocolectomy.

Video contest at the joint meeting of the 30th annual scientific meeting of the Royal College of Surgeons of Thailand and the 15th Asian Congress of Surgery, July 2005. (the winner)

Single incision right colectomy: good exposure for oncologic dissection can be provided with the use of simple equipments.

Video contest at the joint meeting of the 35th annual scientific meeting of the Royal College of Surgeons of Thailand and the Royal Australian College of Surgeons, July 2010. (2nd place)

**PODIUM PRESENTATION,
INTERNATIONAL.**

Laparoscopic Restorative Proctocolectomy with Small McBurney Incision for Ileal Pouch Construction.

Video presentation at the 2nd International Congress of Colorectal Surgery, Cleveland Clinic Florida Jagelman Conference Center, Cleveland Clinic Florida, Florida, USA, February12-13, 2007.

Laparoscopic Ultra Low Anterior Resection with hand sewn Coloanal Anastomosis

Video presentation at the 3rd International Congress of Colorectal Surgery, Cleveland Clinic Florida Jagelman Conference Center, Cleveland Clinic Florida, Florida, USA, February13-14, 2008.

One-staged Sacrectomy

Video presentation at the ASCRS annual meeting, Boston, MA, USA. June 7-11, 2008.

Sacrectomy and Long Term Outcomes for Primary Sacral Tumors.

Presentation for the ASCRS International Scholarship Winner at the ASCRS annual meeting, Boston, MA, USA. June 7-11, 2008

How Medicine is practiced in Thailand.

Presentation for the International Council of Coloproctology (ICCP), the ASCRS International Scholarship Winner, the ASCRS annual meeting, Boston, MA, USA. June 7-11, 2008

Sigmoid flap: A novel technique for perineal and neovaginal reconstruction after abdominoperineal resection with near total vaginectomy for locally advanced rectal cancer.

Presentation at the American College of Surgeons 95th Annual Clinical Congress, Chicago, IL, October 11-15, 2009

Single incision right colectomy.

Video presentation at the 5th International Congress of Colorectal Surgery, Cleveland Clinic Florida Jagelman Conference Center, Cleveland Clinic Florida, Florida, USA, February 9-10, 2010.

Rectosigmoid Flap for Perineal and Neovaginal Reconstruction after Abdominoperineal Resection with Vaginectomy *en bloc* for Rectovaginal Septum Gastrointestinal Stromal Tumor

Video presentation at the ASCRS annual meeting, Minneapolis, MN, USA. May 15-19, 2010.

One-staged sacrectomy for primary sacral tumor.

Video presentation at the American College of Surgeons 95th Annual Clinical Congress, Washington DC, DC, October 3-7, 2010.

Single incision right colectomy: good exposure for oncologic dissection can be provided with the use of simple equipment.

Video presentation at the American College of Surgeons 95th Annual Clinical Congress, Washington DC, DC, October 3-7, 2010.

Laparoscopic Cylindrical Abdominoperineal resection with *en bloc* vaginectomy and sacrectomy with perineal and neovaginal reconstruction using the sigmoid flap.

Video presentation at the American College of Surgeons 96th Annual Clinical Congress, San Francisco, CA, October 23-27, 2011.

POSTER PRESENTATION , INTERNATIONAL.

Polypectomy the Old Fashioned Way: Still Safe and Sound.

Poster presentation at the ASCRS annual meeting, Boston, MA, USA. June 7-11, 2008.

One-Staged Total Tumor Resection with Sacral Bone and Nerves Preservation for Giant Sacral Schwannoma.

Poster presentation at the 24th Biennial Congress of ISUCRS (International Society of University Colon and Rectal Surgeons) 2010, Seoul, Korea, March 19-23 2010

A novel treatment for hemorrhagic radiation proctitis using colonic irrigation and oral antibiotic administration.

Poster presentation at the ASCRS annual meeting, Minneapolis, MN, USA. May 15-19, 2010.

Mucosectomized sigmoid flap: A novel technique for pelvic reconstruction after exenteration for advanced pelvic malignancy.

Poster presentation at the American College of Surgeons 96th Annual Clinical Congress, San Francisco, CA, October 23-27, 2011.

INVITED LECTURER

THAILAND,

Hereditary colon cancer.

Presentation at the 43rd annual scientific meeting, Faculty of Medicine, Chulalongkorn University, Bangkok, Thailand. June 2002

Anal stricture.

Presentation at the 26th annual scientific meeting, the Royal College of Surgeons of Thailand, Thailand. July 2002

What's new in colorectal surgery

Presentation at the 27th annual scientific meeting, the Royal College of Surgeons of Thailand, Thailand. July 2003

Anal stricture.

Presentation at Post graduation Course; Update in Colon and Rectal Surgery, the Royal College of Surgeons of Thailand, Thailand. August 2004

Bowen and Paget's disease

Presentation at Post graduation Course; minimal invasive surgery, the Royal College of Surgeons of Thailand, Thailand. September 2004

Laparoscopic Colorectal Surgery

Presentation at Post graduation Course; minimal invasive surgery, the Royal College of Surgeons of Thailand, Thailand. September 2004

Laparoscopic sphincter preserving surgery for Rectal cancer.

Presentation at the 46th annual scientific meeting, Faculty of Medicine, Chulalongkorn University, Bangkok, Thailand. June 2005

Laparoscopic sphincter preserving surgery for Rectal cancer.

Pre congress meeting; Colorectal surgery, How I do it? at the joint meeting of the 30th annual scientific meeting of the Royal College of Surgeons of Thailand and the 15th Asian Congress of Surgery, Thailand. July 2005

Laparoscopic colorectal surgery.

Presentation at the 8th scientific meeting "Empowering Cancer Control for Healthy Thailand", National Cancer Center, Bangkok, Thailand. September 2005

Focus on Laparoscopic Technique of Colorectal Surgery: Laparoscopic right colectomy.

Presentation at the joint meeting of the 4th annual scientific meeting "Modalities of Management in Modern Surgery" of Laparoscopic and Endoscopic Surgeons of Thailand and the Hepato-Biliary-Pancreatic Society of Thailand (2000) and the Royal College of Surgeons of Thailand, Bangkok, Thailand. September 2005

Focus on Laparoscopic Technique of Colorectal Surgery: Laparoscopic Abdominoperineal resection.

Presentation at the joint meeting of the 4th annual scientific meeting “Modalities of Management in Modern Surgery” of Laparoscopic and Endoscopic Surgeons of Thailand and the Hepato-Biliary-Pancreatic Society of Thailand(2000) and the Royal College of Surgeons of Thailand, Bangkok, Thailand. September 2005

Surgical Abdominal Catastrophe: Massive bleeding from major pelvic surgery.

Presentation at the joint meeting of the 4th annual scientific meeting “Challenge to the Uncommon Surgical Situations” of the Royal College of Surgeons of Thailand and the Asian Surgical Association, Bangkok, Thailand. November2005

How to get Ultra-Low Rectal Anastomosis

Presentation at Current Practice in Colorectal Surgery “Thailand Colorectal Week” of The Society of Colon and Rectal Surgeons Thailand, Bangkok, Thailand. February 2006

Retrorectal Tumor.

Presentation at short course in Surgery “Difficult Surgery” of the Royal College of Surgeons of Thailand, Bangkok, Thailand. May2006

Laparoscopic Restorative Proctocolectomy with Ileal Pouch Anal Anastomosis.

Presentation at the 41st annual scientific meeting, Faculty of Medicine, Chulalongkorn University, Bangkok, Thailand. June2006

Extensive Surgery for Locally Advanced Rectal Cancer.

Presentation at the 4th International Scientific Congress of the ASEAN Society of Colorectal Surgeons, Bangkok, Thailand. January 2009.

Colorectal cancer with liver metastasis

Presentation at the 8th annual scientific meeting “Challenge to the Uncommon Surgical Situations” of the Royal College of Surgeons of Thailand, Bangkok, Thailand. May 2009.

Radiation in rectal cancer

Presentation at “Daily Colorectal Surgery Practice”, Department of Surgery, Faculty of Medicine, Chulalongkorn University, Thailand. November 2009.

Laparoscopic colorectal surgery

Presentation at “Workshop in Colorectal Surgery”, Hatyai Hospital, Hatyai, Songkla, Thailand. November 2009.

Decision Making in Rectal Cancer Treatment: Is TME alone enough for T3 Rectal Cancer?

Presentation at the Joint Scientific Meeting “Decision Making in Surgical Oncology” of International College of Surgeons of Thailand and Association of Surgical Oncologists, Thailand (ASOT), Petchaburi, Thailand. December 2009.

Difficult perineal wound

Presentation at the “Update in Colorectal Surgery 2010” of The Society of Colon and Rectal Surgeons Thailand, Bangkok, Thailand. February 2010.

HAL VS total laparoscopic approach for colorectal surgery

Presentation at the “Breast, Bowel, and Minimal Invasive Surgery: Surgical Forum” Pavilion Queens Bay Hotel, Krabi, Thailand. April 2010.

Laparoscopic Colorectal Surgery; How to get it started.

Presentation at the “Laparoscopic Colorectal Surgery” Prince of Songkla University, Hatyai, Songkla, Thailand. April 2010.

Management of difficult perineal wound.

Podium presentation at the joint meeting of the 35th annual scientific meeting of the Royal College of Surgeons of Thailand and the Royal Australian College of Surgeons, July 2010.

Common pitfalls in colon cancer surgery.

Presentation at the 9th annual scientific meeting “Common Pitfalls in Surgery; when to do what and how to do it?” of the Royal College of Surgeons of Thailand and the Asian Surgical Association, Bangkok, Thailand. November 2010.

Laparoscopic colorectal surgery

*Presentation at the “**Laparoscopic Colorectal Surgery**” of the International College of Surgeon, Twin Lotus Hotel, Nakornsrihummaraj, Thailand. May 2011.*

Laparoscopic Colorectal Surgery

*Presentation at the “**Laparoscopic Colorectal Surgery**” of the Nurse, Tawanna Hotel, Bangkok, Thailand. June 2011.*

Future trend in colorectal cancer management: Laparoscopic Colorectal Surgery

Presentation at the “Joint Conference in Medical Sciences 2011: Chula-Rama-Siriraj (JCMS 2011)”, Impact Convention Center, Bangkok, Thailand. June 2011

**INVITED LECTURER,
INTERNATIONAL.**

Laparoscopic Colorectal Surgery, An Overview.

Presentation at the 3rd Malaysian Colorectal Weekend, Kuala Lumpur, Malaysia, March 2005

Laparoscopic Right Colectomy

Presentation at the 3rd Malaysian Colorectal Weekend, Kuala Lumpur, Malaysia, March 2005

Laparoscopic Total Proctocolectomy with IPAA

Presentation at the 3rd Malaysian Colorectal Weekend, Kuala Lumpur, Malaysia, March 2005

Total sacrectomy: King Chulalongkorn Memorial Hospital Experience

Presentation at the 4th Malaysian Colorectal Weekend, Kuala Lumpur, Malaysia, March 2006

Laparoscopic Left Colectomy

Presentation at International Laparoscopic Workshop on Colorectal Surgery, National University Hospital, Singapore, April 2006

Handling the Complications of Laparoscopic Surgery

Presentation at International Laparoscopic Workshop on Colorectal Surgery, National University Hospital, Singapore, April 2006

Experience of Lap Colectomy Training in Soft Cadaver

Presentation at Surgical Leaders' Summit-Colorectal, The Windsor Hotel Toya, Hohhaido, Japan, July 2006

Laparoscopic Left Colectomy

Presentation at International Laparoscopic Workshop on Colorectal Surgery, Department of Surgery, Ipoh hospital, Malaysia, November 2006

Laparoscopic Right Colectomy

Presentation at International Laparoscopic Workshop on Colorectal Surgery, Department of Surgery, Ipoh hospital, Malaysia, November 2006

Laparoscopic Colectomy; King Chulalongkorn Memorial Hospital Experience.

Presentation at International Laparoscopic Workshop on Colorectal Surgery, Department of Surgery, Ipoh hospital, Malaysia, November 2006

Alternative Surgical Modalities in the Treatment of Hemorrhoids.

Presentation at the Philippine College of Surgeons' (PCS) 62nd Annual Clinical Congress, the EDSA Shangri-La Hotel, Manila, Philippines. December, 2006.

Laparoscopic Colorectal Procedures.

Presentation at the Philippine College of Surgeons' (PCS) 62nd Annual Clinical Congress, the EDSA Shangri-La Hotel, Manila, Philippines. December, 2006.

Extensive Surgery for Locally Advanced Rectal Cancer.

Presentation at the 4th Asean Society of Colorectal Surgeons International Scientific Congress. Bangkok, Thailand, January 2009.

Role of the cadaver model for laparoscopic surgery.

Presentation at the 2009 SMC- KNUH Joint International Symposium, Kyungpook National University Hospital, Daegu, South Korea, July 2009.

Laparoscopic Restorative Proctocolectomy with Ileal Pouch Anal Anastomosis.

Presentation at "10th Workshop in Colorectal Surgery" of Asia Endosurgery Task Force (AETF), Covidien Clinical Institute, Shanghai, China. November 2009

Learning laparoscopic surgery: The Thailand experience

Presentation at the Philippine Society of Colon & Rectal Surgeons Annual Meeting and 1st National Convention Diamond Hotel, Manila, the Philippines, March 25-26, 2010.

Surgical approaches to locally advanced and recurrent rectal cancer

Presentation at the Philippine Society of Colon & Rectal Surgeons Annual Meeting and 1st National Convention Diamond Hotel, Manila, the Philippines, March 25-26, 2010.

Single Port laparoscopic right colectomy

Video presentation at the Philippine Society of Colon & Rectal Surgeons Annual Meeting and 1st National Convention Diamond Hotel, Manila, the Philippines, March 25-26, 2010.

Pelvic exenteration

Video presentation at the Philippine Society of Colon & Rectal Surgeons Annual Meeting and 1st National Convention Diamond Hotel, Manila, the Philippines, March 25-26, 2010.
